**An Important Message From NPHF-Attend an Opioid Safe Prescribing Course
Share with Interested Colleagues**

“Be prepared. Get naloxone. Save a life.”

*- Surgeon General's Advisory on Naloxone and Opioid Overdose,
April 5, 2018*

- 77% of opioid overdose deaths occur outside a medical setting.
- The Surgeon General urges naloxone availability and training for patients, friends, and family.

***Do you identify patients at high risk for opioid overdose
and provide naloxone?***
